

Volunteer mission: distributing flyers and posters

For the 2026 edition of LUFF, we are looking for 1 to 2 people per city to help us communicate information about the festival.

What does the mission consist of?

- ❖ Distribute A2 flyers and posters in targeted locations (cafes, bars, cultural spaces, universities, etc.). A suggested list will be provided, but your own suggestions are also welcome!
- ❖ The aim is not to distribute directly to passers-by, but to ask establishments for permission to leave materials there.

>>> You are invited to share photos of your deposits: they will be used for our social media! Tag @lufffestival :)

A short instruction guide will be provided when you collect the equipment, ensuring that everything is done in accordance with legal regulations and with consideration for the venues involved. The aim is to give LUFF visibility while respecting that of other programs and artists.

Organisation :

- ❖ Estimated duration: approximately 2 hours of touring (spread over one or more segments)
- ❖ You must also factor in the cost of travel to Lausanne to collect the equipment from the LUFF office (Pyxis, Pl. de la Cathédrale 6, 1005 Lausanne).
- ❖ An appointment will be scheduled to welcome you, provide you with the necessary equipment and answer all your questions.

Cities concerned :

- ❖ Geneva
- ❖ Vevey
- ❖ Bienne
- ❖ Neuchâtel
- ❖ Fribourg
- ❖ Berne
- ❖ Zurich

In return :

- ❖ a daily pass for distribution
- ❖ an additional day pass for travel (except Lausanne)
